Securing Your Future with Tangible: Expert Grant Services

Unlock economic growth and secure essential funding for your municipality or non-profit with Tangible Analytics Consulting. From 2018 - 2024, we have helped secure over $30 Million of funding for towns, cities and nonprofits nationwide.

Why Choose Tangible?

Tangible has an impressive track record in grant acquisition, securing funding of over $30 Million since 2018 across 30 municipal and nonprofit clients.

- Expertise: With our experience, we manage the entire grant lifecycle - from identifying potential funding sources to overseeing grant administration.
- Preparation and Writing Services: We prepare persuasive grant applications and provide comprehensive financial analysis to strengthen your case for funding.
- Accreditation: As accredited grant preparers, we deliver quality results. We aim to provide clear, compelling proposals that align with your funder's objectives.
- Tailored Service: Our offerings are tailored to your specific needs and include on-call consultancy and budgeting services.
- **COMING SOON** - Grant Training courses for nonprofit and municipal grant professionals

Tangible is a preferred vendor of the Connecticut Conference of Municipalities.
