

About Us

As the #1 Zoho Partner in Connecticut, Tangible Analytics Consulting provides seamless integration of Zoho One into your organization. We offer expert consultants with extensive experience in data analysis, business process optimization, and software implementation. Our dedicated team is committed to helping your business reach new heights of efficiency and productivity through the adoption of Zoho One. By leveraging our expertise, you can unify your business operations, streamline workflows, and drive growth with a comprehensive suite of integrated applications.

Top 5 Zoho Applications

- **Zoho CRM:** Manage your customer relationships and sales pipelines effectively.
- **Zoho Books:** Handle your accounting and finance operations seamlessly.
- **Zoho Projects:** Plan, track, and collaborate on projects with ease.
- **Zoho People:** Manage your HR and employee processes efficiently.
- **Zoho Desk:** Deliver top-notch customer support with a robust helpdesk solution

Zoho One: Your Ultimate Business Suite

ZOHO One is an all-encompassing suite of business applications designed to run an entire business on the cloud. Offering over 45 integrated business and productivity applications for your sales, marketing, customer support, accounting, and more – ZOHO One simplifies and streamlines your business processes.

Benefits of ZOHO One:

- **Unified Business Suite:** Manage all your business processes with a single online platform. This unified approach helps eliminate data silos, promoting efficiency and productivity.
- **Cost-Effective:** The integrated package provides value for money by removing the need for multiple disparate subscriptions.
- **Full Customizability:** ZOHO One can be customized based on your business needs. It offers versatility to business solutions.
- **Scalable Solution:** ZOHO One grows as your business expands. It's a solution that fits both small and large enterprises.
- **Security:** Rest assured about the safety of your data. ZOHO One adheres to industry-standard practices for data security, privacy, and compliance.

Drive business forward with ZOHO One – the comprehensive, customizable, and cost-effective business suite, and experience the difference with Tangible Analytics Consulting as your trusted Zoho One Partner.
