Zoho Bigin: Ignite Growth for Small Businesses and Solopreneurs

Zoho Bigin is a pipeline-centric CRM designed specifically for small businesses and solopreneurs, offering a comprehensive yet simple solution to manage customer relationships and grow your business.

Benefits of Zoho Bigin:

- **Pipeline Management:** See your entire pipeline on a clean, clutter-free dashboard, helping you focus on important deals.
- **Workflow Automation:** Spend less time on repetitive tasks by automating follow-ups, reminders, and other sales-related activities.
- **Customizable Fields:** Zoho Bigin can be tailored to match your needs, using customizable fields to capture crucial business data.
- **Mobile First Approach:** Manage your CRM on the go with a mobile app designed to provide full access to all features.
- **Affordable Pricing:** Specifically designed for small businesses and solopreneurs, Zoho Bigin offers high-end CRM features at an affordable price.

\$629 Design and Implementation for all businesses up to 3 employees.
